### **EXAMINER'S AMENDMENT**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Linda J. Thayer (Reg. No. 45,681) on 4 November 2005.

The application has been amended as follows:

Claim 23, lines 2-3, "of the database" has been deleted;

Claim 29, 2<sup>nd</sup> paragraph, last line ";," has been deleted;

Claim 31, 2<sup>nd</sup> paragraph, line 4, --database--has been inserted before "profiles";

Claim 31, 3<sup>rd</sup> paragraph, last line, --through the first memory portion--has been inserted after "system";

Claim 31, last paragraph, last line, --through the second memory portion--has been inserted after "system".

Claim 30 has been canceled.

### ***Allowable Subject Matter***

2. Claims 1-7, 21-26, 29, 31 renumbered as 1-15 are allowed.

The following is an examiner's statement of reasons for allowance: the prior art of record does not disclose or make obvious a database system storing a first assignment of a first profile to a first memory portion, a second assignment of a second profile to a second memory portion, the memory portions being disjunctive, wherein the first profile

Art Unit: 2163

is uniquely associated with only the first memory portion and a first application system and the second profile is uniquely associated with only the second memory portion and a second application system, the application systems communicating with the database through the corresponding profiles. These distinct limitations appear in all independent claims 1, 21, 29, 31.

Claims 2-7, 22-26 being further limiting and definite are also allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
